Sussex Bird Safari

Friday 4th September 2015
9:30am to 4pm

Rye Harbour Nature Reserve

£42 Non-Members
£30 Members

Rye Harbour is one of the most important nature reserves in the south of England. We shall take all day to explore the variety of habitats at a time which is particularly good at this time of year for migrating birds calling in as they make their way back to Africa.

In the afternoon we will head out to Castle Water which can be particularly good for waders at this time of year.

Mike Russell has worked for the Trust since 1985 and in addition to organising and teaching courses, also leads wildlife holidays for Wildlife Travel, a company set up in 1988 to initially run holidays worldwide for members of the Wildlife Trusts but now open to anyone. The Company donates all its profits to the Wildlife Trusts.

This course is designed primarily for adults; participants aged 14 to 16 years must be accompanied by an adult.

Packed lunch and refreshments.
Suitable clothing and footwear for the season.

Please notify us if you have any medical conditions or mobility issues that may affect your attendance on the course.

Meet in the car park at Rye Harbour Road at the entrance to Rye Harbour Nature Reserve, TN31 7TU
