Don't drop the Marine Bill, Mr Brown
Protect our seas

Dear Prime Minister, it's been a year since 300,000 of our supporters signed pledges calling on you to fulfil your manifesto promise to introduce a bill to protect the UK's seas. This fragile environment - home to a rich variety of wildlife, and supporting many livelihoods - is under threat. Today we again urge you to take action - before it's too late.

Please ensure this year's Queen's Speech includes a strong Marine Bill.
