### Description
An opportunity to learn more about the fascinating folklore and ecology of this amazing insect at an indoor talk. Then as the sun sets we head out to search for them at one of the best glow worm sites in Sussex. No previous knowledge required.

### What we’ll do
- Suitable clothing and footwear for the season.

### Suitability and other info
This course is designed primarily for adults; participants aged 14 to 16 years must be accompanied by an adult.

### The tutor
Michael Blencowe works for the Sussex Wildlife Trust as their Community Wildlife Officer. He’s based in Lewes and runs a packed programme of events all across Sussex celebrating the rich diversity of wildlife found in our county. Through these walks, talks and training courses he inspires people to become more involved with studying, recording and conserving the fantastic species and habitats we have here in Sussex.

### Access
Please notify us if you have any medical conditions or mobility issues that may affect your attendance on the course.
