**Description**

An evening course outlining the basics of the planning system and its interaction with biodiversity in Sussex.

A basic run through of the planning system in England including local plans, neighbourhood plans and individual applications.

**What we’ll do**

- We will look at key biodiversity legislation and guidance. An outline of the process involved in responding to a planning application on biodiversity grounds.
- Please note this course does not provide specific advice about individual planning matters and will not result in a written response.
- Additionally this course will be run from an ecological stand point and will not cover other planning issues.

**The tutor**

Laura Brook & Jess Price

**Suitability and other info**

- Tea, coffee & other refreshments will be available.
- Car park and toilet facilities available.
- Toilets/disabled toilets available.

**What to bring**

- Notepad and writing material

**Getting there**

- Woods Mill, Shoreham Road, Henfield BN5 9SD
- 1.5 miles south of Henfield village on the A2037, 0.5 miles north of Small Dole.

**Public transport**

- No evening bus service.

**Access**

- Disabled Access to Classroom.
