**Details**

**Woodland Ecology and Management**

**When**
Wednesday 22nd April 2015  
10am to 4pm

**Where**
Kirdford, West Sussex

**Cost**
£42 Non-Members  
£30 Members

**Description**
This woodland day aims to give a broad understanding of the woodland habitat and will touch on a wide variety of topics including soils, ecology, wildlife and woodland management. The course is suitable for beginners as well as those with some subject knowledge wanting a refresher.

**What we’ll do**
We will be classroom-based in the morning and outdoors in the afternoon, exploring Ebernoe Common, identifying woodland trees, flowers and birds and discussing woodland ecology and management.

**The tutor**
Petra Billings

**Suitability and other info**
This course is designed primarily for adults; participants aged 14 to 16 years must be accompanied by an adult.

**What to bring**
Packed lunch and refreshments.
Suitable clothing, sunscreen, insect repellent and footwear. Optional: A field identification guide may be useful but not essential, hand lens, binoculars.

**Getting there**
Kirdford Village Hall, Kirdford, West Sussex, RH14 0ND

**Access**
Please notify us if you have any medical conditions or mobility issues that may affect your attendance on the course.
