Putting Together a Site Management Plan

Friday 25th September 2015
10:30am to 4pm

Woods Mill, Henfield

£42 Non-Members
£30 Members

A day course to introduce the key elements involved in compiling a site management plan. This course is suitable for private landowners, voluntary and community groups who are looking to produce a management plan for their site.

Please note this course does not provide specific management advice and will not result in a written plan for your site.

Key elements involved in putting together a management plan including research, setting objectives, risks, putting together work programmes and monitoring.

Laura Brook & Jess Price have both worked in the conservation department of the Sussex Wildlife Trust for many years, and have extensive experience in advising land owners on management planning.

This course is designed primarily for adults; participants aged 14 to 16 years must be accompanied by an adult.

Packed lunch and refreshments.

Please notify us if you have any medical conditions or mobility issues that may affect your attendance on the course.

Woods Mill, Shoreham Road, Henfield
BN5 9SD
1.5 miles south of Henfield village on the A2037, 0.5 miles north of Small Dole.

Bus 100 stops hourly but not on Sundays
