Ideas for following up a visit to Seven Sisters

KS2

Write a recount of the visit.

Role play - encourage the children to choose a rock pool creature and imagine what it must be like living in that environment.

Look at food chains on the rocky shoreline using the worksheet in the follow up pack.

Look at adaptation of shoreline plants and animals using the worksheet and information in the follow up pack.

Follow on from the beach litter survey by carrying out a litter survey in the school grounds and comparing the results.

Look at the time it takes for different forms of litter to break down.

Design a poster about litter on the beach.

Choose a rock pool creature to draw and paint.
