How to help birds avoid windows

You will need:
- card
- black marker pen
- scissors
- thread or fishing line
- suction cup, blu-tack or duct tape

© connie welsh, 2012

You can find these on most shower puffs.

1. Sketch a large bird shape on your card, and colour it in with your black pen. Cut it out.

2. Make a small hole in the top of the bird and tie it onto a short thread.

3. Hang the bird outside a window to break up reflections on the glass. It will also move in the wind.

Some shapes to try:

Attach with a suction cup, blu-tack or duct tape.
